

Dog visitors to Cuckoo Down Farm

We ask that all dog visitors follow our Canine Code of Conduct:

- £30 charge for a dog visit
- Just one dog per tent unless by prior arrangement
- Bring with you rugs, dog beds etc and do not allow dogs onto the furniture
- Poop scoop after your dog at all times throughout the farm
- Dogs must not be left alone at the farm when you go out
- Puppies under 12 months not allowed unless by prior arrangement
- Dogs must not disturb other visitors by loud barking or other anti-social behaviour
- Dogs must be kept under control and must not disturb the farm animals

If these guidelines are not followed, your dog will be asked to go to kennels for the rest of the stay (at your expense) or the visit will be terminated without refund.
